The Program

Since 1982, College Heights Baptist Church has sponsored conversational English classes. During this time hundreds of students from all over the world have participated in this program. These classes are taught entirely by volunteers. The goal of these volunteers is to make the international's time in the United States more enjoyable.

Welcome to our Class

Each week (September through April) students will attend classes. Through these classes, the student will make new friends, both American and international. And will participate in every day conversational exercises designed to help them participate more comfortably in the community.

Classes

The Conversational English classes are taught weekly by experienced instructors. In addition to practicing their English speaking skills, the students will have the opportunity to learn about the American culture by participating in holiday celebrations and learning new cooking skills.

Ages from 5 through 12 are welcome. The children will study the Bible, learn about Jesus and play lots of games. There is no cost to participate in this program.
