God is a light that is never darkened;

Book for the Year

The pastor has recommended a book that he believes will help in reading the Bible with greater understanding. It is “How to Read the Bible for All Its Worth” by Gordon Fee and Douglas Stuart. The new, 4th ed., is about \$15 on Amazon and there are many used book outlets selling the 3rd ed. for about \$10 less – the two editions very similar. There is also a Kindle version for \$15. Questions? Contact the office.

Monthly Business Meeting

Next Sunday at 5:00p

As long as matters are really hopeful, hope is a mere flattery or platitude; it is only when everything is hopeless that hope begins to be a strength. Like all the Christian virtues, it is as unreasonable as it is indispensable.
