**Bible Readers in 2020**

Amazing! Here we are 3500 years later reading about how to construct the Tabernacle in such detail that it “blows your mind.” As you see, it wasn’t something just thrown together haphazardly; it was something totally different from the ordinary. Since God is separate and different (that is, “holy”), so should all things relating to Him be holy. That now includes us!

Reading the Bible is not where your engagement with the Bible ends.

It’s where it begins.
