**Bible Readers in 2020**

The majority isn't always right - in fact they are often wrong as was the case at hand of the 12 spies. Unfortunately the faith of Caleb and Joshua wasn't enough to keep the Hebrews from 40 years of wandering, and wondering. Luckily for us, it doesn't take that long to read the story!

Right is right, even if everyone is against it; and wrong is wrong, even if everyone is for it.

WILLIAM PENN (1644-1718)

**Today's Meetings**

- Deacons at 3:30 pm
- Business at 5:00 pm

The existence of evil is not so much an obstacle to faith in God as a proof of God's existence, a challenge to turn toward that in which love triumphs over hatred, union over division, and eternal life over death.
