It doesn't matter how great the pressure is. What really matters is where the pressure lies— whether it comes between you and God or whether it presses you nearer his heart.

The longer I live, the more I realize the impact of **attitude** on life. **Attitude**, to me, is more important than facts. It is more important than the past, than education, than money, than circumstances, than failures, than successes, than what other people think or say or do. It is more important than appearance, gifted-ness, or skill. It will make or break a company...a church...a home. The remarkable thing is we have a choice every day regarding the **attitude** we will embrace for that day. We cannot change our past; we cannot change the fact that people will act in a certain way; we cannot change the inevitable. The only thing we can do is play on the one string we have, and that is our **attitudes**... I am convinced that life is 10 percent what happens to me and 90 percent how I react to it. And so it is with you...we are in charge of our **attitudes**.  
Chuck Swindoll (1934- )

I walked a mile with Pleasure  
She chatted all the way;  
And left me none the wiser  
For all she had to say.  
I walked a mile with Sorrow  
And ne'er a word said she;  
But, oh, the things I learned from her  
When Sorrow walked with me.
