### Bible Readers in 2020

Moses is nearing the end of his life and reviews God's leading and covenant with the Israelites. Now, under the leadership of Joshua, they will begin the task of conquering the land that God had promised Abraham 650 years before. It will take many years of successes and defeats and will never be completely achieved due to their apostasy.

The Spirit of Christ is the spirit of missions, and the nearer we get to him, the more intensely missionary we must become.
