Postlude

God knows, not I, the reason why
His winds of storm drive through my door;
I am content to live or die
Just knowing this, nor knowing more.
My Father’s hand appointing me
My days and ways, so I am free.

Bible Readers in 2020

Samson was a very strong man with a number of significant weaknesses! Since the twelve tribes have been fighting as much among themselves as in conquering the land that God had given them, and since they have generally refused His kingship over them, He is going to allow them to set up a monarchy. It will be tough going with only a few bright spots.
