It doesn't matter how great the pressure is. What really matters is where the pressure lies—whether it comes between you and God or whether it presses you nearer His heart.

When compassed about on every side with tribulations, remember that it is the way of the saints, through which they passed to the kingdom of heaven. Learn to comfort thyself also, because that in this thou art made like unto Christ Jesus, thy Lord; and return thanks, if thou are in any small degree able to repay this to him. For I say unto thee that it is a greater merit in thee to suffer affliction patiently than to perform good works.

**Life Choice Ministries
Annual Walk for Life**

We had five groups of walkers this year: Judy Ball, the Buchanans, Virginia Mixer, Amy Nail, and Amy Upshaw. Thanks to the walkers and to all those who sponsored them in this important ministry.

An intercessor means one who is in such vital contact with God and with his fellow men that he is like a live wire closing the gap between the saving power of God and the sinful men who have been cut off from that power.
