**A Prayer**

O Thou who art the Way, the Truth, and the Life, we lift our hearts to Thee. Guide us in the Way this day, enlighten us with the Truth, and grant us the more abundant Life which Thou alone canst give. This we ask, not that we may selfishly get good or glory for ourselves, but that we may do good unto others and so glorify Thy name.

HOWARD GROSE (1851-1939)

The term *obey* would be better expressed by the word *use*. For instance, a scientist uses the laws of nature; that is, he more than obeys them, he causes them to fulfill their destiny in his work. That is exactly what happens in the saint’s life. He uses the commands of the Lord, and they fulfill God’s destiny in his life.
